## environmental concern and a pro-ecological attitude are paramount values of the brand

### pro-ecology campaigns

### we plants trees

for every package of Barlinek flooring sold, we plant 1 tree; Barlinek Customers Forest is growing and today includes more than **18,000,000 trees** 

### we save peregrine falcons

thanks to the activity undertaken over the past few years it has been possible to return as many as **100** of these beautiful birds to the forests

### we protect "Bartek" the oak

we also allocate funds to carry out the necessary renovation work to save the ancient Bartek Oak - Poland's most famous nature monument

### responsible production

#### 🕜 Next Step = zero waste

all waste generated in the production process is reused through internal recycling

### 100% of required heat energy

**100%** of required heat energy and **60%** of electricity used in Barlinek factories is covered by our own production. The remaining **40%** of power demand is sourced by green energy!

dust emissions limited to almost zero our filters remove 99% of dust

100%

MADE IN EUROPE

100% precise and thorough segregation of all waste

#### we use 100%+ of the wood; we digitize the most beautiful boards for the Next Step collection
